Please type or print legibly and complete all information. This allows us to keep our umpire database updated and accurate. It is imperative that you submit this form with your completed background check form, as no registrations will be processed unless both documents are received. Registration by an umpire does not establish an employer/employee relationship and no umpire is considered an employee of ASA or the local association (Indiana ASA), but is instead acting as an independent contractor. Indiana ASA carries a complete line of umpiring equipment, including high school and college equipment. Details can be found at www.indianaasasoftball.org under Umpire Program then Umpire Merchandise, or contact the State UIC.
