Please type or print legibly and complete all information. This allows us to keep our umpire database updated and accurate. It is imperative that you submit this form with all items completed including the background check information (all umpire over 18 years of age), as no incomplete registrations will be processed. Registration by an umpire does not establish an employer/employee relationship and no umpire is considered an employee of USA Softball or the local association (USA Softball of Indiana), but is instead acting as an independent contractor. USA Softball of Indiana carries a complete line of umpiring equipment, including high school and college equipment. Details can be found at www.usasoftballindiana.org under Umpire Program then Umpire Merchandise, or contact the State UIC.
